THE LOCATION

One Thames Quay has all the benefits of a Canary Wharf lifestyle alongside a unique location of open spaces, light and spectacular views.

The neighbourhood combines homes, shops, bars and restaurants with commercial spaces and fantastic new outdoor areas.

The new South Dock Bridge will be an additional route over the water, providing One Thames Quay with further connectivity to Canary Wharf. Opposite lies one of London's latest mixed-use neighbourhoods, Wood Wharf which will be a hotbed of culture, creativity and diversity.

The wider Canary Wharf area is home to restaurants, bars and cafes for every occasion; over 300 shops, cinemas and outdoor theatre, a year-round events programme, and an award-winning public art collection. And then there's one of London's biggest roof gardens, river walks and a surprising number of the green spaces to enjoy.

TRANSPORT LINKS

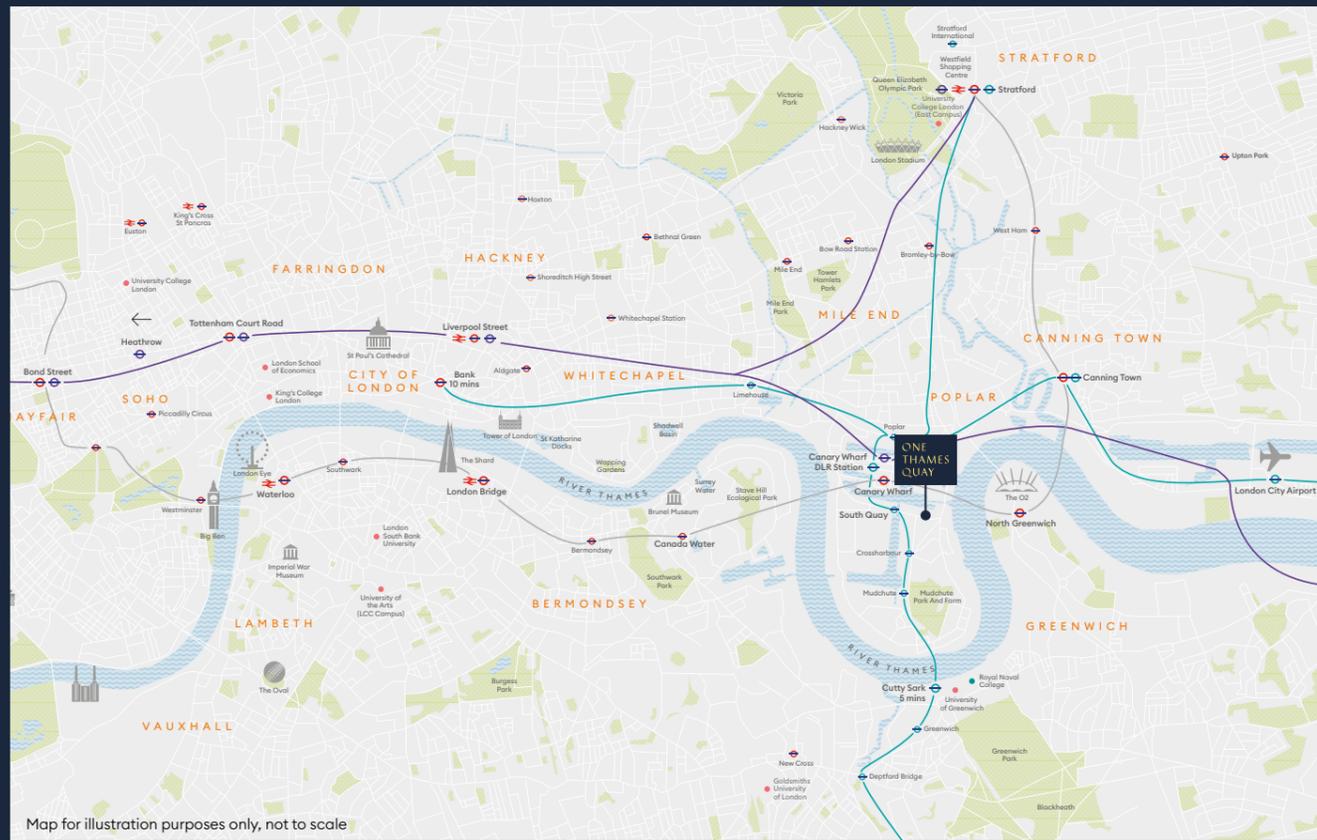

One Thames Quay is a 260 metre walk from South Quay DLR station and a short walk to the Underground at Canary Wharf which puts the Jubilee Line, Elizabeth Line (Crossrail) and London within easy reach.

3.9 miles away is London City Airport, which has regular flights to over 30 destinations in Europe.
